

## MIT European Career Fair

---

Join our international delegation to MIT European Career Fair in February 2018 to meet some of America's strongest candidates, interested in a career in Europe.

MIT European Career Fair is the largest of its kind in North America, and has a proven track record of providing companies access to some of the most highly skilled candidates worldwide.

Join Copenhagen Capacity, DI and Work in Denmark to promote your open jobs in a joint effort to attract top candidates to Denmark.

### Benefits for your company

- Companies: 3510 USD
- Non-profit and universities: 1485 USD

Your company get 10% discount, as a part of the Danish cluster.

”

Highly-skilled talent is a scarce resource in increasingly high demand. The competition for the brightest minds takes place not only between companies, but also between countries. We have to join forces in making Denmark top of mind among foreign talent – alternatively, we will all loose out.

Sebastian Kierulff Page,  
Manager, Global Recruitment, Novo Nordisk
