Fredrik Rahl

Deputy Director

Sedermera Fondkommission

Fredrik Rahl is the Deputy Director of Sedermera Fondkommission. Fredrik has been with Sedermera Fondkommission for over 10 years and has thus far had the opportunity to partake in the listing of nearly 100 companies, as well as the capitalization of many more in the micro- and smallcap segment. In more recent years he has had the pleasure to see to that Danish companies have been capitalized and listed on the Swedish market. A process he is an active participant in. Danish companies entering the Swedish market is definitely an interesting capitalization option.
