

Robert Millham, MS, MSc, PharmMed

Senior Vice President & General Manager,
Hematology & Oncology
inVentiv Health

Robert Millham has 17 years of pharmaceutical industry experience in roles including laboratory, clinical development and clinical operations. His most recent role before joining inVentiv Health was Vice President, Oncology Clinical Operations, at Pfizer Worldwide Research & Development. In that role, Mr. Millham oversaw the provision of operations support for clinical trials for Pfizer's Oncology portfolio from phase I through IV. Mr. Millham was with Pfizer from 1998 through 2015, working in laboratories on biomarker development and validation. In 2004, he joined Pfizer Oncology and served in roles including Translational Medicine Lead, Clinical Lead, and Medical Team Lead before assuming his role in Development Operations in 2013. Prior to joining Pfizer, he worked for companies in Biotech and Agri-Biotech.

Mr. Millham is an author or co-author on eight peer-reviewed publications and over 20 peer-reviewed abstracts and presentations. He holds degrees in biology (Middlebury College), microbiology (University of New Hampshire) and pharmaceutical medicine (Hibernia College).
