

Venue: Lundbeck Pharma A/S Ottiliavej 9 | 2500 | Valby | Denmark |

Carcinogenicity studies symposium - Lundbeck

Date is 19<sup>th</sup> May 2016

## Agenda announced

**Envigo are proud to announce the first in a series of symposia focussing on preclinical development. The first in this series are run in collaboration with our partner Lundbeck who will host this free symposium on Carcinogenicity studies.**

**A panel of industry experts will cover key aspects and considerations to have when performing these studies. Case studies and experiences with regulatory authorities will also be shared.**

**Register today to secure your place!**

---
