

**Jonas Jendi**  
Investment Manager  
Industrifonden

Jonas Jendi started his career at the Boston Consulting Group and has more than 15 years of experience from the field of life science. He has held the role as CEO of Cogmed Systems AB, and was part of the journey from VC-financed startup to buyout and integration into Pearson Inc, where he held positions as Vice President and General Manager at Pearson Clinical Assessments in the US.

After returning home from the US, Jonas has held various positions in the Swedish life science sector as well as serving on the board of companies as BioInvent and Diamyd.

Jonas has been a contributor to Svenska Dagbladet's service SvD Börsplus, supplying equity analysis of public life science companies.
