

Ingrid Teigland Akay, MD MBA

Managing Partner
HadeanVentures

Biography

Ingrid Teigland Akay is a life science investor and medical doctor.

Ingrid is the founder and Managing Partner of Hadean Ventures, a life science investment firm with a particular focus on the Nordics.

Ingrid previously served as a Senior Investment Manager at the global life science fund Inventages in London.

Over the last decade she has invested into and worked with portfolio companies in the healthcare sector across Europe, US and Asia.

Ingrid sits on the Board of Directors of several private and listed healthcare companies.

She holds a medical degree from Hanover Medical School, Germany, and MBA in Finance from London Business School.
